

# MAGIC VALLEY FLY FISHERS

THURSDAY, OCTOBER 19,  
2017 CLUB MEETING

The Turf Club, 734 Falls Ave  
5:00 to 8:30 p.m.

This month's speaker will be our own **Glenn Buscher**, seen here with some of his beautiful big flies and the amazing beauties that he coaxes to eat them! He will show us how to tie a few of his favorites and then give us some rod-in-hand demonstrations of how & where to use his techniques to land these trophies. Our meetings now feature a great Turf Club buffet for which you need to RSVP to the number below or by e-mail to me. This month is Oktoberfest Bratwurst with all the fix in's for \$15.00. The buffet will begin 6-6:30 so come early and enjoy. You may pay at the door by check, cash or plastic and be sure to RSVP to reserve your dinner buffet. There will be plenty of time for you to ask Glenn questions and we will have a round robin of fishing reports and a small raffle to conclude the evening. We welcome all interested fly fishers. Bring your family & friends, eating or not, for a congenial and informative evening of Fly Fishing Fun with all. Call me anytime at 208-934-6405. Bryan.
