

# MAGIC VALLEY FLY FISHERS

THURSDAY MARCH 15 MEETING  
TWIN FALLS SENIOR CENTER  
530 Shoshone St. West, 5-9 PM

## FLY TYING DEMONSTRATIONS & CLUB NIGHT

We are pleased to have many of our club's most experienced fly tyers showing you how to tie their most productive patterns. They will give you tips on tying techniques, materials and explain how to fish them effectively in our local streams, lakes and rivers. You can sit, watch and listen to each and go around the room to observe their different patterns and learn their tricks. Folks new to tying as well as seasoned tiers can learn something new. We will have our new youth group table and one for other new folks wanting to learn to tie a fly.

There is no buffet or pot luck this month, but you may bring your own food and beverage to enjoy. Everyone is welcome- no charge- so come on over!
