

Dear Magic Valley Fly Fishers Donors and Supporters:

December 3, 2019

We are seeking donations for our upcoming Banquet and Fundraiser to be held on Saturday, February 15, 2020 5-9 p.m. at the Mountain View Barn Event Center in Jerome.

Magic Valley Fly Fishers' goals encompass education, community involvement, and the enhancement of fly fishing and conservation in the Magic Valley. We are a Fly Fishing International (formerly International Federation of Fly Fishers) affiliate member. We support and partner with The Nature Conservancy, Henry's Fork Foundation, College of Southern Idaho Foundation, CSI Rock Creek Institute, Twin Falls Canal Company, Twin Falls County & City and other groups helping us achieve those goals to create the best fly fishing environment possible now, and for future fly fishers.

Your donations stay local to help us fund notable guest speakers educating us at our meetings that are open to all. They make possible our assisting programs like the IDFG "Trout in the Classroom" in local schools, our scholarships for CSI Aquaculture Program students, and work to increase all fishing access and quality. Your continued support will help us ensure these and new projects in planning for 2020 will allow us to sustain and enhance quality fly fishing and conservation activities in our local communities, Southern Idaho, and beyond.

Please consider a contribution to our banquet and fund raiser on **February 15, 2020**. Monetary donations as well as items for our silent auctions and raffles are all welcome. All donors receive recognition at the banquet in our program and after in the media. Your generosity in support of MVFF is greatly appreciated. We have included a donation form to accompany your contribution so that we can acknowledge your help and give you our highest recognition possible. Donors contributing \$500 or more will be recognized as Millennium Club Donors. Those contributing over \$100 receive recognition as Century Club supporters. Magic Valley Fly Fishers continue as an established and independent non-profit 501(C) 3 organization-EIN 81-1669257. Your contribution continues to be tax deductible.
